Sir,

*Pachayat- Forest- Hospet Taluk- Toranagal Panchayat- Daroji Foreshore Reseve- Transfer to Departmental management-

ENCLOSURES .....

SPARE COPIES .....

The Daroji foreshore reserve, which is now managed by the Tornagal panchyat, was transferred to the panchayat control in 1925. This is one of the best babul forests in this district and is more valuable per acre of wooded area than any other res of late there has been much illicit cutting and removal of fuel from this forest, and the pancnayat has not been taking any step to prevent illicit cutting. Consequently there has been rapid deterioration of the forest. The Sub Collector, Hospet is of opinion that the forest has suffered much damage on account of inefficient management, and recommends the retransfer of the fo to the departmental control for its regeneration.

2. The District Forest Officer, Anatapur and the Conservator of Forests, Bellary circle who were consulted in the matter say that when the Daroji foreshore reserve was handed over to pan-chayat management in 1925, the correct method of regenerating such areas was not known, that effective methods have since been devised and the reseve will benefit when the new methods of rege neration are employed under proper supervision. They also say th if regeneration does not keep pace with the extraction the gro-wing stock will diminish and eventually the forest will disappea and suggest that the foreshore reserve may be handed back to the Forest Department.

3. I agree with the opinion of these Officers and consider that this valuable forest cannot be efficiently managed by a pan-chayat which is indifferent and ignorant of forestry. I there

fore, recommend that the Daroji foreshore reserve may be resumed from the panchayat control and handed back to the Forest Department..If these proposals are approved the necessary notifications will be submitted separately.

4. The President has been removed from office and the question of removal of the panchayat members is under consideration.

Sir

Panchayats - Forest - Hospet Taluk Tornagal Panchayat - Daroji foreshore R.F. retransfer to Forest Department.
Board's Ref. L.911/35-1 dated 17th May 1935.

ENCLOSURES .....

SPARE COPIES .....

The area of the Tornagal Panchayat Forest is as follows:-

Daroji Foreshore R.F.	1852 acres.
Tornagal and Extension R.F.	1524 "
Total.	3376

Besides this the following extents are available to grazing in the several villages that constitute the panchayat.

Tornagal	Poramboke	527-88 Acres.
	Unassessed	1127-44 "
Kurekuppa	Poramboke	445-53 "
	Unassessed	46-28 "

Out of 1852 acres of the Daroji Foreshore, about 1/30 i.e., about 60 acres will be closed for 10 years, for grazing so that not more than 500 to 600 acres may have to be closed at a time, to help regeneration. This closure, will not affect the grazing possibilities for the number of cattle now available and there will not be much restriction of grazing. It is reported that there are two ponds in the foreshore area and the use of these for water for cattle grazing in the Panchayat will have to be allowed. It would appear that this was being done by the Forest Department and as such no difficulty is expected to arise.

I consulted the Conservator of Forests, Bellary Circle and District Forest Officer, Anantapur, and the Sub Collector Hospet in the matter. All of them are of opinion that the grazing facilities of the villages in this Panchayat are

P.T.O.

not likely to be considerately curtailed, on account of the retransfer of the Daroji Foreshore R.F., to the Forest department.

I request that my original proposal may be approved.

The Kurekuppi Panchagalu measuring 14 was subsequently clubbed with the adjoining Tonnagallu Panchagalu and a reconstituted Tonnagallu Panchagalu to manage the Tonnagallu (Acs. 1490) & the Daroji R.F.s was formed with effect from 1.7.30.

3. The Daroji foreshore R.F. has a thick growth of Babul trees fit for timber and scattered Sandal wood seedlings. In the Circ. note referred by the Coll. it was stated therefore necessary to resume control over the reserve and hand it to the For. Dept. for management. The Collr's report on the question raised by Secn is awaited. In the circumstances reported by the Collr, the Board may agree to the resumption and retransfer to the control of the Forest Dept of the Borooli foreshore R.F. Before coming up the proposals to the Govt the C.C. of forests may be consulted viz. whether he would take over the management of this forest.

2. Under para 7 of G.O. No. 912, Ms. Dev. & 23.6.25, reserves withdrawn from panchayat management will not revert to the Forest Deptt but will remain in charge of the Revenue Dept.. The Govt may therefore be requested to sanction the proposed transfer, specifying the terms on which the Forest Deptt is willing to take over the management.

3. While agreeing to resume control over the reserve the C.C has not specified the class under which it will be kept after the transfer.
